Starting with the idea of a Twitter feed used as evidence, author Elliott Holt (@elliottholt) will tell the story of a crime. The audience will see that story unfold via three different perspectives, and then will have to weigh the presented evidence for themselves.
Next up in the #twitterfiction Festival showcase is "Evidence". Follow along by following author @elliottholt. - November 28
The Story
@elliottholt - On November 28 at 10:13 pm EST a woman identified as Miranda Brown, 44, of Brooklyn, fell to her death from the roof of a Manhattan hotel. - November 29

@elliottholt - Investigators are trying to determine whether Ms. Brown’s death was an accident or if, as some speculate, she was pushed off that roof. - November 29

@elliottholt - At the time of her death, Ms. Brown was at a party. No one witnessed her fall, but three guests were tweeting from the party all evening. - November 29

@elliottholt - None of the tweeting guests appear to have known Ms. Brown, but all observed her at various times in the 2 hours leading up to her death. - November 29

@elliottholt - In an effort to reconstruct the night’s events, investigators are analyzing the twitter feeds of those three party guests. - November 29

@elliottholt - The 3 tweeting guests were: 1) @margotburnham, 31, a public relations executive whose firm was hosting the party at which Ms. Brown died. - November 29
@elliottholt - 2) @simonsmithmilla, 44, of London, who was on the guest list because as he put it, "he knows people." - November 29

@elliottholt - And 3) @elsajohanssen, 26, a self-described "Swedish fashion designer" though she is an American citizen who was born in San Francisco. - November 29

@elliottholt - What follows, in chronological order, are all the tweets sent from that party, which began at 7:30 pm EST... - November 29

@elliottholt - ...and concluded when police arrived on the scene at 10:17 pm EST. Was Ms. Brown's death a #homicide, a #suicide, or an #accident? - November 29
You decide. Read the evidence. - November 29
The tweeting guests' point of view
@ElsaJohanssen - tonight’s party for my bf’s cookbook is going to be off the hook! - November 29

@SimonSmithMilla - Drowning my #Arsenal sorrows. An uptight PR girl thrust some sort of whiskey cocktail at me. Not bad, I must say. - November 29

@MargotBurnham - "Groove is in the Heart!" - November 29

@ElsaJohanssen - what did I miss? - November 29

@ElsaJohanssen - these cocktails go down easy - November 29

@SimonSmithMilla - The chef’s arm candy is very young, very blonde. Sasha says she winked at me. She might have done. ; - November 29

@ElsaJohanssen - ummm a woman with red hair just sucked down three cocktails in a row. now she’s dancing like a maniac. #wtf - November 29

@ElsaJohanssen - and creepy British guy is checking me out. - November 29

@MargotBurnham - I didn’t expect people to dance but there’s a redhead shaking her booty! And people seem to be following her lead. - November 29
@ElsaJohanssen - gotta say: the dancing redhead's leather mini-skirt is so not age appropriate. - November 29

@ElsaJohanssen - i mean, she's gotta be at least ten years older than me. - November 29

@SimonSmithMilla - Woman with ginger hair is doing a show. What is this, Flashdance? - November 29

@ElsaJohanssen - but i gotta admit the redhead in the leather mini-skirt has perfectly toned arms. i should really hire a trainer. - November 29

@ElsaJohanssen - or maybe i just need to go to yoga more often. ashtanga gives you Madonna arms, right? - November 29

@ElsaJohanssen - Wait, does Madonna still do yoga? Or is she onto a new thing? - November 29

@ElsaJohanssen - I don't want really big arms, just more toned. - November 29

@MargotBurnham - I love it when I can tell my boss is proud of me. - November 29
@SimonSmithMilla - Ginger has exited the dance floor. Apparently she doesn’t like Joy Division. - November 29

@SimonSmithMilla - But love will tear us apart. - November 29

@MargotBurnham - The sliders are a huge hit! - November 29

@MargotBurnham - And I wore just the right shoes. #louboutinforever - November 29

@MargotBurnham - And the temperature is just right. I was worried we didn't have enough heat lamps. - November 29
@ElsaJohanssen - the woman with the perfect arms is crying in the bathroom. like serious mascara-running tears. do i say something?! - November 29

@SimonSmithMilla - Right, chef. Your girl goes off to the loo and you chat up another woman. - November 29

@MargotBurnham - I don't pay much attention to horoscopes, but @astrologyzone did say the 28th would be a special night. - November 29

@ElsaJohanssen - i asked the crying woman if she was okay & she said she just got some bad news. i told her I love her dress. its isabel marant, natch. - November 29

@MargotBurnham - This is one of those nights when I feel like anything could happen. - November 29

@ElsaJohanssen - she said, it’s ruined. i said no, it’s perfect. and she said, i’m not talking about the dress. - November 29

@MargotBurnham - Like I could meet the love of my life or something. - November 29
@ElsaJohanssen - the weirdest stuff always happens in the ladies room - November 29

@MargotBurnham - I mean, why not? Life is full of surprises. - November 29

@SimonSmithMilla - Sasha is always working a room. - November 29

@MargotBurnham - You can't plan everything. - November 29

@ElsaJohanssen - I meant to ask her what she does to get those arms but she left the bathroom. - November 29

@ElsaJohanssen - crying lady is back on the dance floor. so i guess she's okay. - November 29

@MargotBurnham - I know I'm working, but I feel like dancing. - November 29

@MargotBurnham - I’d like to be the kind of person who can dance like no one’s watching. Like that redhead. - November 29
@SimonSmithMilla - Dancing Ginger is having a spat with a bloke in a horrid purple tie. - November 29

@SimonSmithMilla - He's shaking her by the shoulders like a rag doll. - November 29

@ElsaJohanssen - I'm starting to think the redhead is on something. #drugs - November 29

@SimonSmithMilla - I asked the bloke to leave it, but Ginger said, "Don't worry. This is our routine." - November 29

@ElsaJohanssen - OMG. the redhead is swatting at some guy. looks like he's trying to calm her down. lover's quarrel? - November 29

@SimonSmithMilla - Fucking odd routine if you ask me. - November 29

@MargotBurnham - My old boss used to say, "everything's performance art, darling." - November 29
@ElsaJohanssen - speaking of lovers quarreling, my bf has hardly acknowledged my presence all night. - November 29

@SimonSmithMilla - Sasha says Ginger’s clearly enjoying it. Says she’s probably one of those women who ”likes it rough.” - November 29

@MargotBurnham - I try to remember that when people get drunk and act crazy. - November 29

@MargotBurnham - Case in point: the redhead is slapping a man. And he's shaking her. - November 29

@ElsaJohanssen - He's too busy schmoozing. - November 29

@ElsaJohanssen - If he keeps this up, he'll be going home alone. - November 29

@SimonSmithMilla - Ginger’s pissed. Can't stand up straight. Couldn't focus when she looked at me. - November 29
@ElsaJohanssen - I'm young, but i'm not stupid. - November 29

@MargotBurnham - And now they're kissing. - November 29

@SimonSmithMilla - I told uptight PR girl to make sure Ginger doesn't drink anything else. - November 29

@ElsaJohanssen - Unmm now the redhead is hugging him, trying to kiss him. He keeps saying, not here, not here. #getaroom - November 29

@MargotBurnham - The part of my job I hate? Policing the guests. - November 29

@MargotBurnham - Red haired woman has had way too much to drink. Those cocktails go down too easily. - November 29

@MargotBurnham - I offered to call a car to take her home. She assured me she has a ride. - November 29

@MargotBurnham - The man who was fighting with her is holding her up. He’s got her by the arms. - November 29
@SimonSmithMilla - That bloke in the purple tie is gripping her too hard. - November 29

@MargotBurnham - He says she just needs to splash some water on her face. - November 29

@ElsaJohanssen - the redhead stumbled off toward the bathroom. She'll probably throw up and feel better. - November 29
